

CELEBRATE IN STYLE AT XO

Embassy XO is an impressive modern Asian restaurant and lounge bar located in the popular Sunshine Beach Village, just a 2 minute stroll from the beach.

The gorgeous restaurant boasts majestic Chinese red and orange lights, giving a funky touch to the popular fully licensed restaurant. Executive Chef Seungjoo Kim continues to impress by refreshing the menu each season.

The cuisine weaves its way through the provinces of China and South East Asia, along with Joos' unique balance of flavours, textures and exciting spices. Interstate foodies know Embassy XO as a

'must do' destination restaurant, knowing the menu and service matches any city in-vogue dining venue.

Open for Yum Cha every Friday, Saturday and Sunday. The restaurant converts to a typical busy Chinese fast and fun dining room for all types of diners. The evening returns to the Embassy XO main menu.

Alongside the restaurant, the XO lounge bar offers an impressive yet approachable wine list and a great cocktail menu catering for all pallets. French glass doors open up to a mini balcony giving ocean glimpses and a summer breeze or in winter you can relax next to our intimate, warm fire.

Embassy XO is the ultimate function, special event or wedding venue. The dining room and Lounge bar are individually available for exclusive use and can cater to either sit down or stand up events. Function menus are created either banquet or Yum-Cha style depending on your event needs.

Embassy XO is part of the XO Group, including two XO Cellars, one located on the street level of the Sunshine Beach restaurant and the other at Noosa Fair, Noosa Junction. Function wine list menu can include the extensive list of wines and beverages on offer from the Cellars.
